The Most Reverend George H. Guilfoyle,
Bishop of Camden.

Very Reverend Joseph A. Toscani, O.S.A.,
Vice Provincial of the Vice Province of Good
Counsel.

To the Senior Class of 1974:

A graduating class leaves an impression and an indelible thought both to the administration and the faculty. Many classes have graduated our fine Prep and there remains a distinct character to every class. The class of 1974 is no exception.

The principle and virtue of obedience is the fundamental characteristic to the learning and the development of the Christian Gentleman. Those who possess and practice this characteristic may be said to be successful in their formative years of Catholic Education.

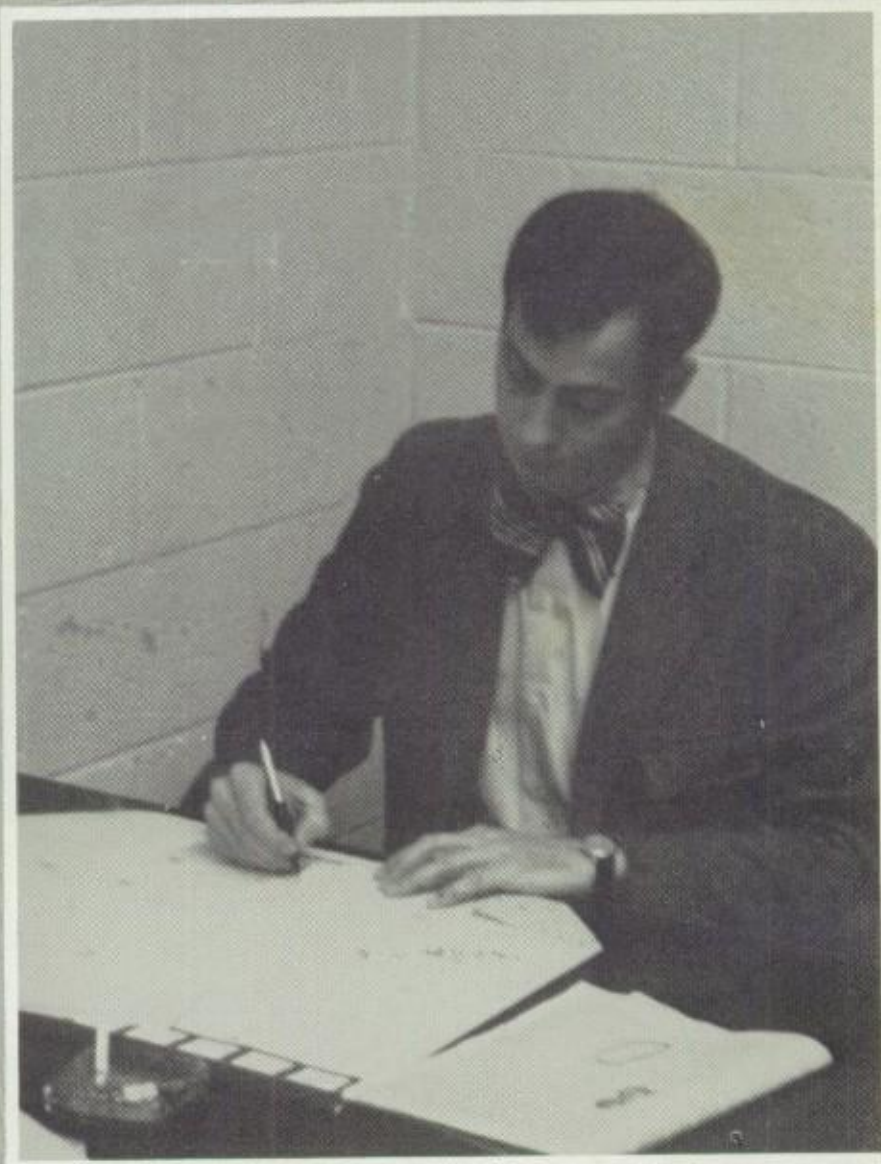

The class of 1974 is successful. In a time when our worldly atmosphere offers an erosion of credibility, pragmatic individualism, compounded crisis of avarice, and many avenues leading to success in lethargy to the idealism of material hypocrisy, the class of "74" rose above these systems of human weakness by strengthening themselves with the fundamentals taught by Jesus Christ our Lord and Teacher.

The understanding and acceptance of these truths we know were painful and, perhaps, even blushing to the maturing adolescent. But the courage of "74" to be obedient makes you no longer feel the pains or the blush. You have afforded yourselves the "opportunity" to become Christian Gentlemen.

With an experience of inner joy we are proud to have shared the pain and the blush, because it is our belief the class of "74" will never lose its savor.

Rev. Stephen La Rosa, O.S.A.

Another phase of your education, 4 years of high school, has been successfully completed and we congratulate you for a task well done. However, this is not the end but, more appropriately, it is the beginning. The beginning of greater responsibilities, of greater challenges, of greater problems, and more important, more critical decisions. The teachers and administration of Saint Augustine Prep believe you are well equipped for these challenges, problems and decisions. Time will bear us out. The one request we make is that you face the future with confidence and good will rooted in your Christian heritage.

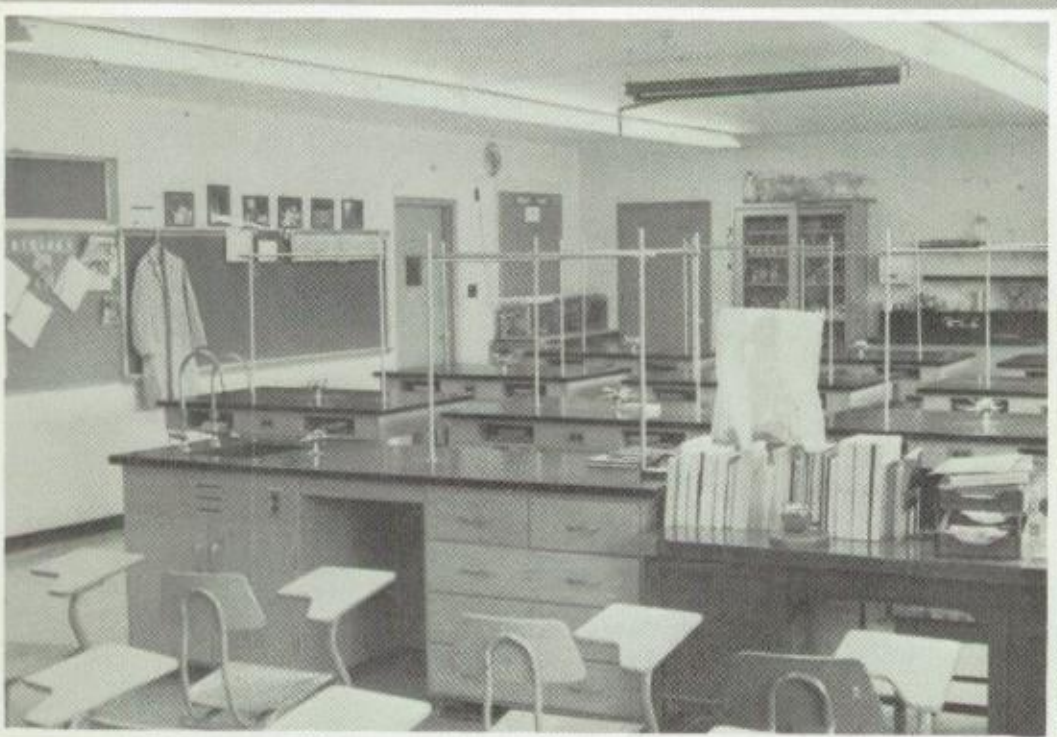

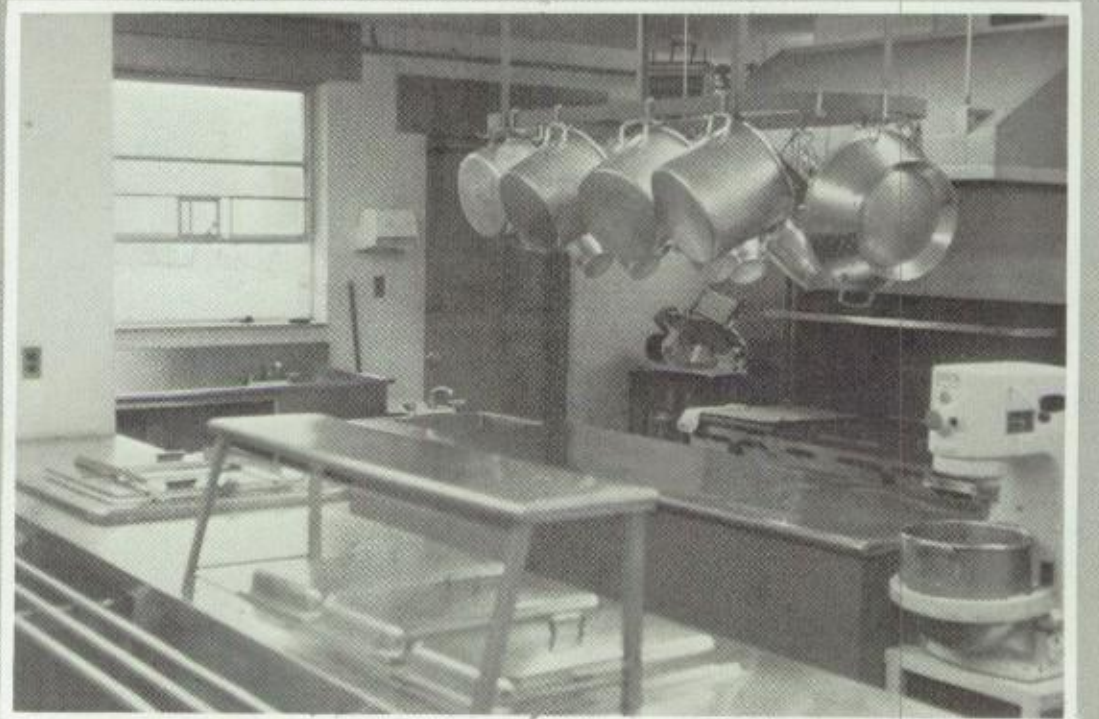

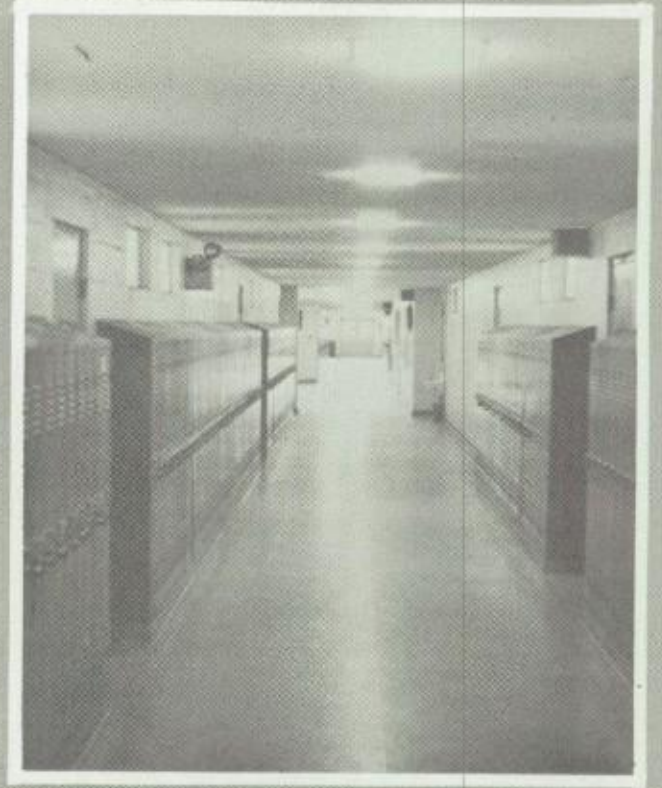

The joys of teaching are found in part in the every day labors of the classroom, but the greatest joy is attained when we see our students successful after they leave Saint Augustine Prep. Let us share those successes with you by always keeping in your mind and heart your alma mater, Saint Augustine Prep.

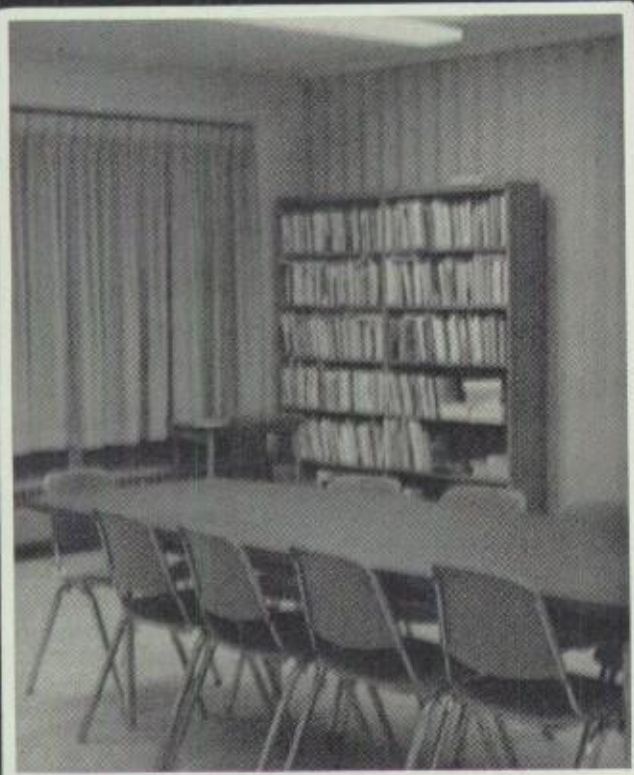

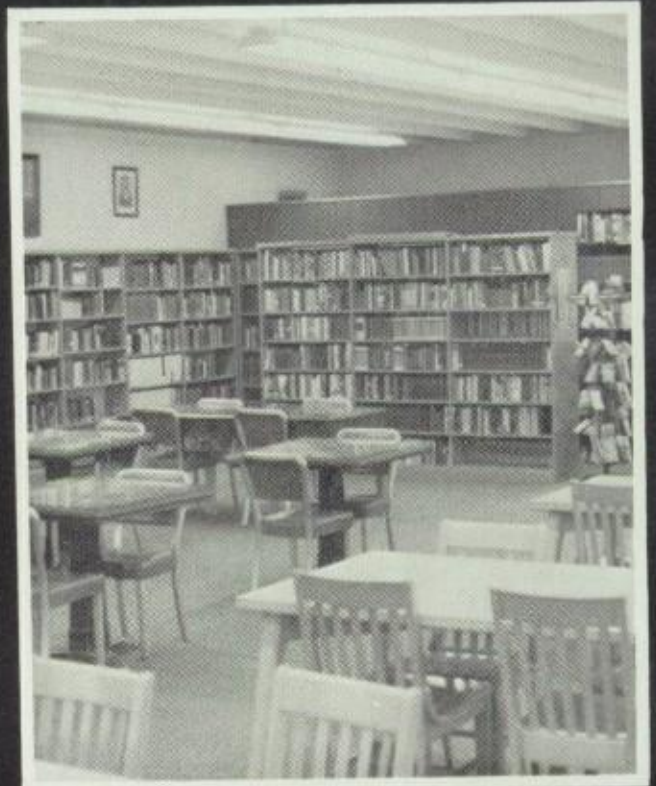

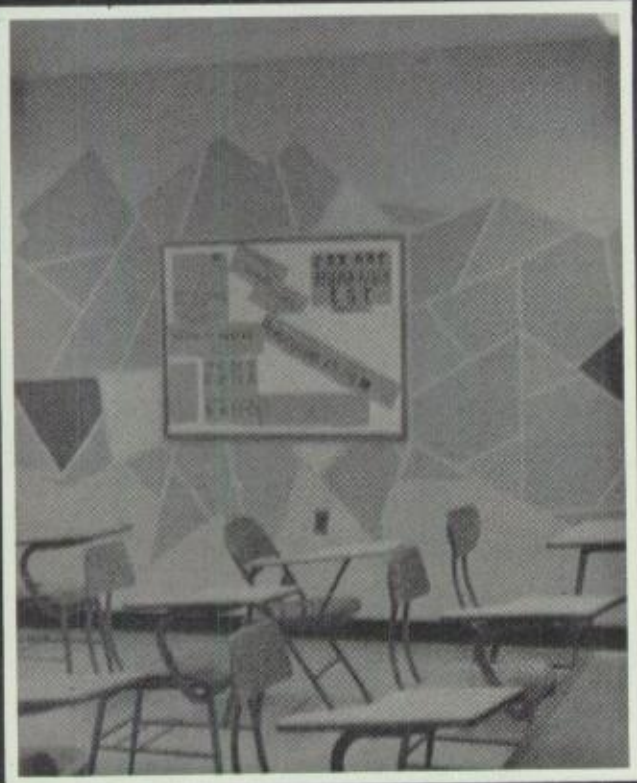

God bless you and guide you.

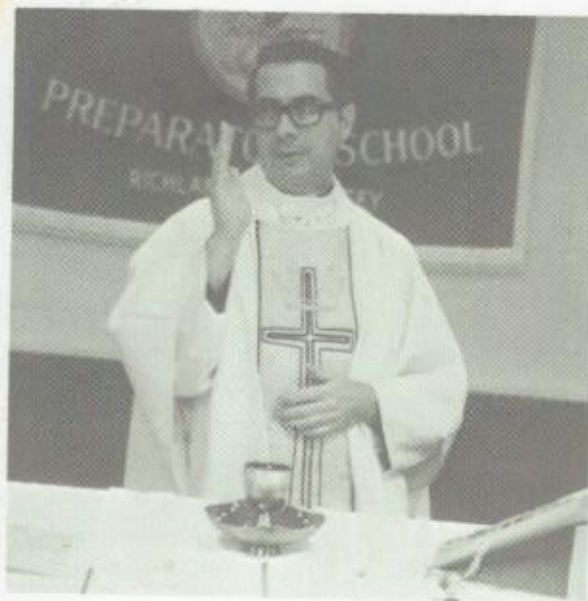

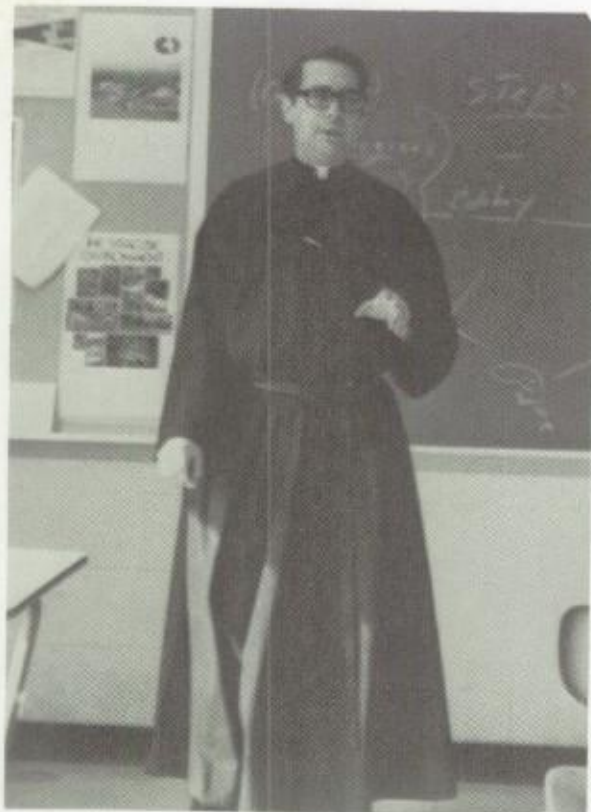

Sincerely,

Anthony J. Spina

Gentlemen of 1974,

Four years ago you arrived, as a fledgling, incredulously imagining Graduation Day as a distant drum in future time. In retrospect you are cognizant these were presbyopic impressions. As the immortal Horace wrote: "carpe diem". You have seized the day!

Nevertheless, look not at this memorable and well-deserved achievement solely as an end, but as an invaluable interim, an aperture of special passage carrying you into a magnificent spectrum of new ideas, endeavors and goals.

As men destined for leadership in varying and unique facets of life confidently have knowledge and belief in your maturity to meet challenge. Your preparation was garnered within Education's finest tradition, finding its foundations in Christ Jesus - the Augustinian tradition developing the Christian Gentleman.

Your arduous, sacrificial and happily spent Prep years have been an apprenticeship concerned with the religious, academic and social aspects of knowledge and life. Concurrently, you have inserted an essential additive: "spirit". Necessarily, the Christian Gentleman is composed of these qualities.

Gentlemen, permit a word of advice. In whatever circumstance you are involved, approach it squarely. Never broach anything, especially your life, in mediocrity. Many have acquiesced to this unfavorable and suitless attitude, some actually herald it. This half-hearted and lax misconception dissolves one's ideals and movement toward perfection, vainly attempting to make the "imperfect" perfect. Consequently, many unnecessary world problems surround men, and ultimately, this imperfection or mediocrity corrupts and contradicts man's essential dignity, especially the Christian Gentleman.

Unquestionably, you have been diligently attempting to live according to the ideals of Christian tradition. Therefore, you are prepared in perfection, not mediocrity, to meet tomorrow's needs. Do so!

As Home Room Moderator, it has been a singular honor and pleasure to have been closely associated with you these four years. You have proved yourselves to be men of heart and intellect; men of generosity and respect; men of kindness and sacrifice; men who take the important things of life seriously, yet never losing a tremendous sense of humor. I am proud to say - you are Christian Gentlemen. None better have entered these portals!

May the Lord bless you and keep you!

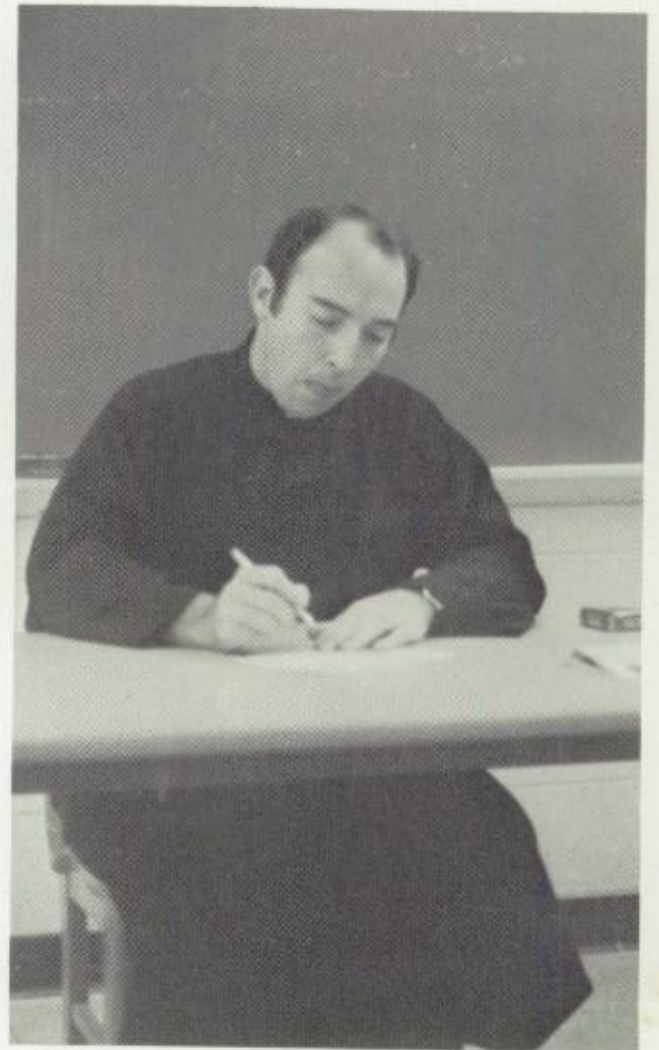

The Lord let his face shine upon you,
and be gracious to you! The Lord
look upon you kindly and give you peace!

Rev. Richard DeFulgentiis, O.S.A.

Rev. Richard DeFulgentiis, O. S. A.

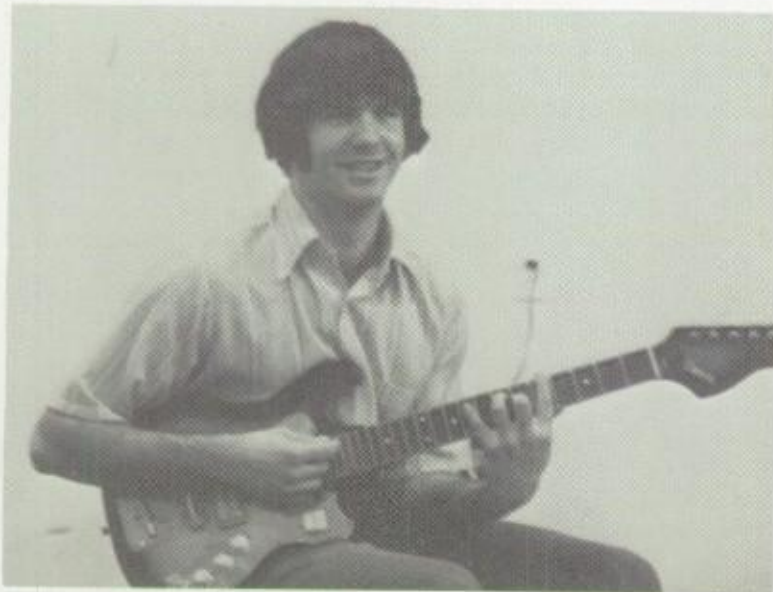

The Class of '74 would like to express their thanks to "Fr. De," who has been our home room moderator for four years. Fr. De has been without a doubt the most motivating force behind our accomplishments. He has stood by us in times of prosperity and trouble, always there with his unending support.

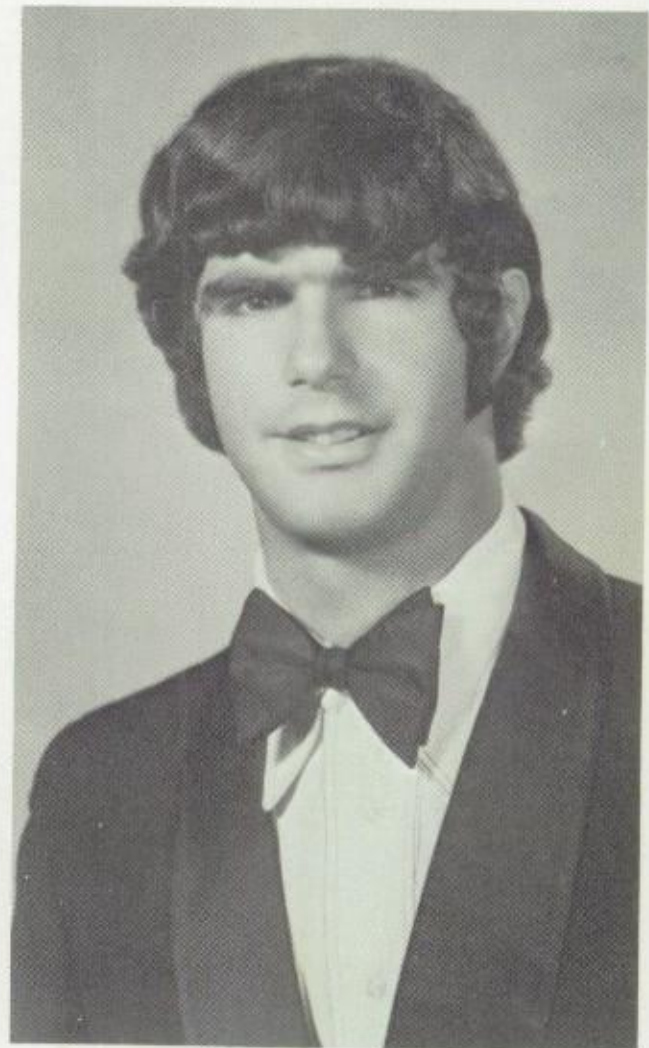

Fr. Richard DeFulgencis, S.M.

This year's Cross Country team enjoyed an extremely successful season with 20 wins and only 3 losses. Besides holding the record for the most victories ever by a Prep team, the 20 wins were the most in the state for any cross country team this year.

John Mahoney, Coach

The season came to a finish when the team traveled to West Paterson, N.J. to compete in the state championships meet. Under the coach, Mr. John Mahoney, the team ended a great season with a third place finish on the grueling Garrett Mountain Course.

Rich Kaser

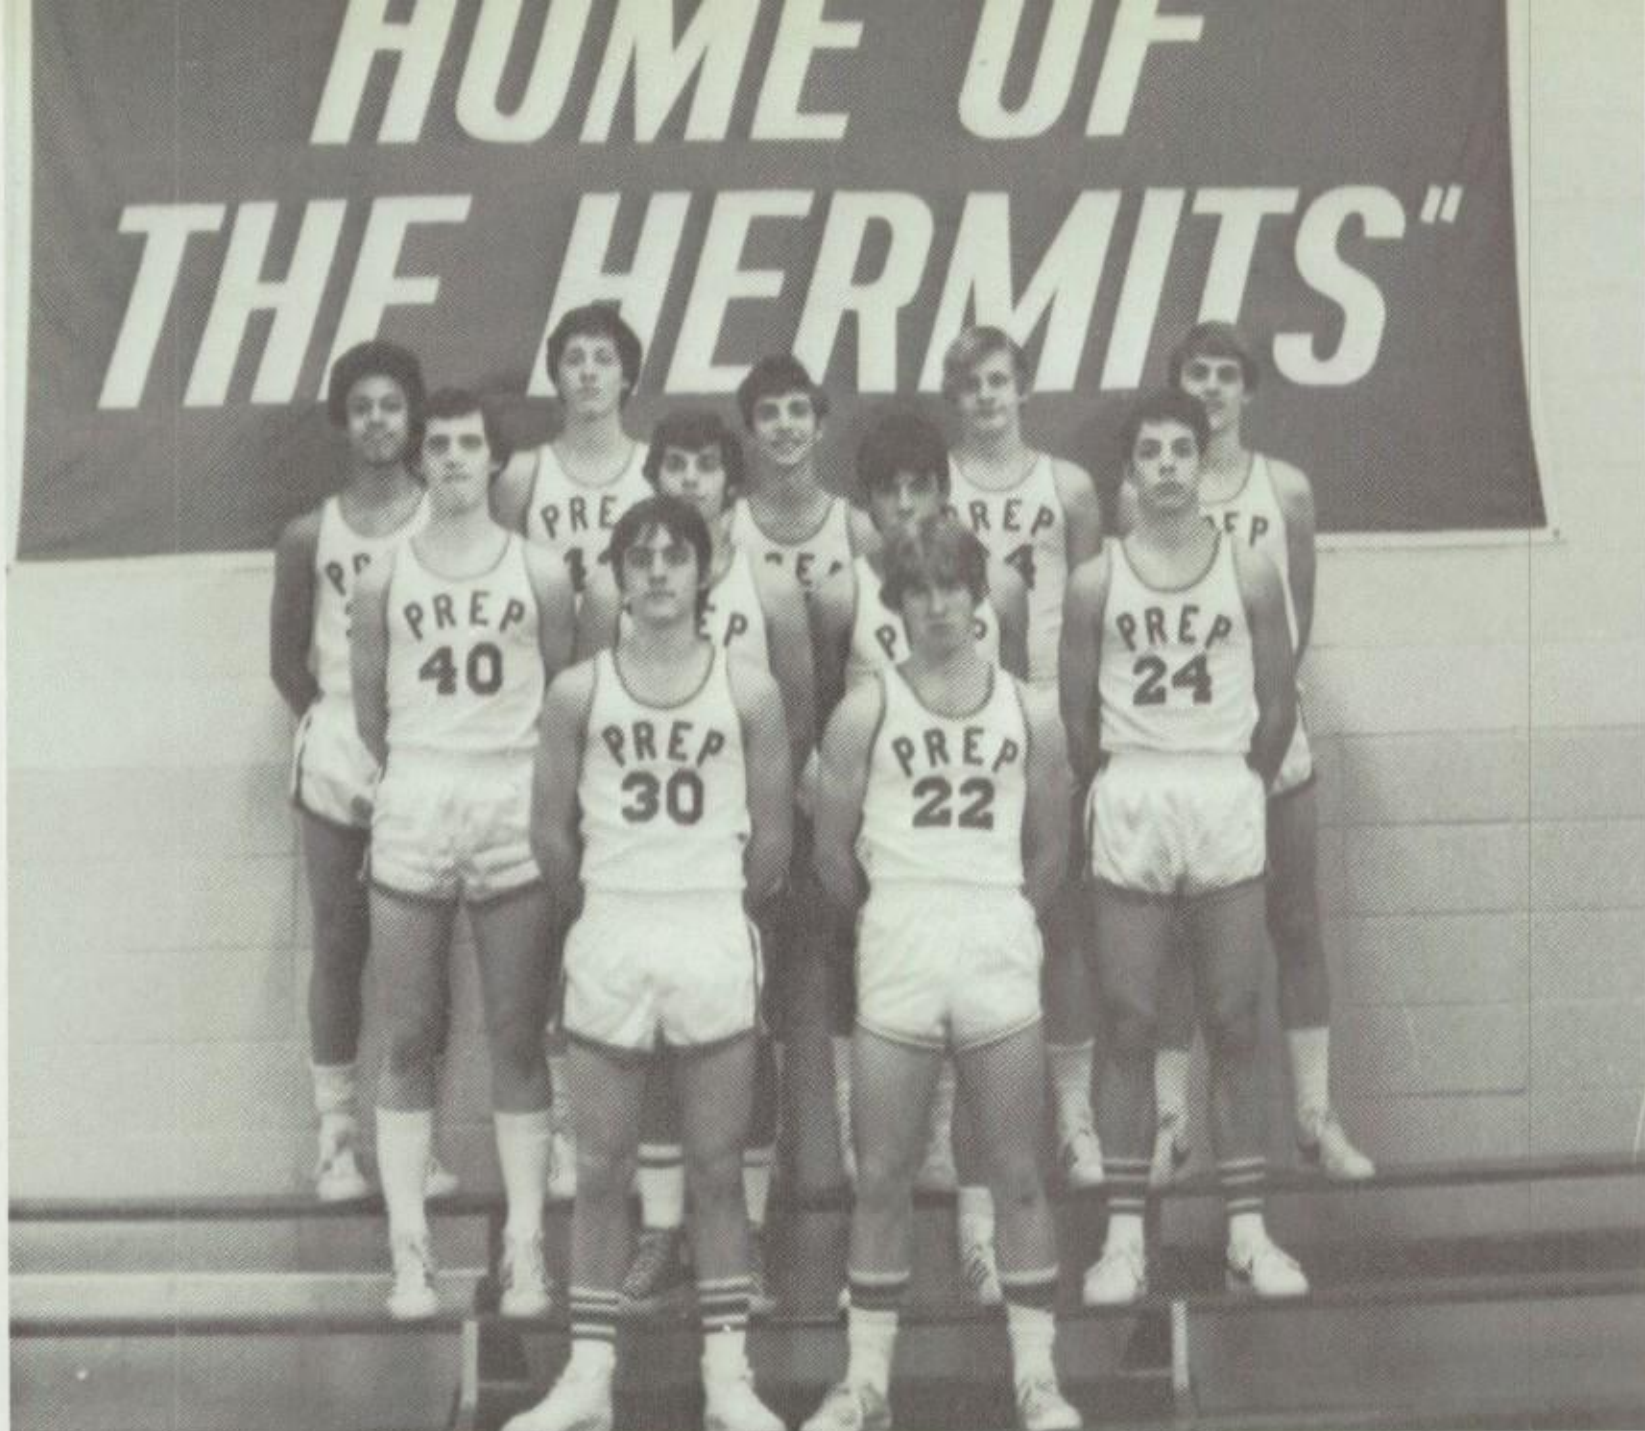

John Kirwin

Kevin Kleiner has won the most first place victories of any Cross Country member. Rip O'Donnell, Rob Vannella, and Captain Robert Jablonski provided the team with the spirit needed to win many meets. Whiz Kirwin and Rich Kaser in their first year try at Cross Country have proved to be effective team members.
